

How to Submit an Event in the Ohio Arts Council's Online Festival Directory Database

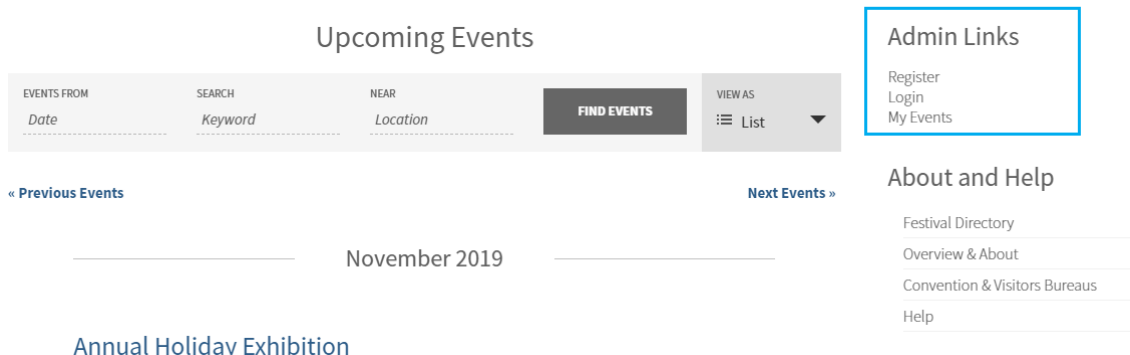

The Ohio Arts Council is excited to introduce our new online database that will feature all Festival Directory events in one digital location searchable by date, county, and category. This online home for events is designed to be user-friendly, accessible, and editable throughout the year. **Events submitted before the print deadline (Nov. 15, 2019) will be included in the printed 2020 *Ohio Festival Directory*, which is sent to a limited number of Ohio travel information centers and convention and visitors bureau locations in early 2020.**

Please note that events are able to be added and edited at any time using this new online system. However, **changes and submissions must be received by Nov. 15, 2019, in order to be included in the printed version.**

To list your event, follow these steps:

1. Access the Ohio Arts Council Festival Directory at: oac.ohio.gov/Resources/Ohio-Festival-Directory
2. Navigate to "Register" under "Admin Links" on the top right of the page. Click "Register."
